Welcome to Eid Luminescence,
Mustafa Jewellery's premier Diamond
Lookbook for 2026.

Eid is a celebration defined by the journey of light—from the silver sliver of the new moon to the radiant joy of a day well-spent. The Eid Luminescence collection is an ode to this transition, featuring a curated selection of diamonds designed to capture the unique “Aura” of every festive moment.

This year, we invite you to explore a collection that moves beyond traditional boundaries, offering a modern interpretation of elegance that follows the rhythm of your day. Whether you are finding peace in the soft, pure light of The Dawn Prayer, embracing the stately grandeur of The Royal Noor, sharing laughter in the organic warmth of The Garden Iftar, or commanding the room at The Midnight Soirée, each piece has been crafted to be your ultimate source of light.

As you turn these pages, let the sparkle and brilliance of our diamonds inspire your festive journey. Each piece is a celebration of craftsmanship, legacy, and your own personal path toward light and grace.

This Raya, do not just celebrate; shine.
Discover a brilliance that lasts a lifetime.

As we conclude our journey through the Eid Luminescence lookbook, we hope you have found inspiration in this exploration of light—where the brilliance of diamonds meets the soul of the festive season.

The 2026 Diamond Collection was curated to be your ultimate source of radiance, transitioning effortlessly from the serenity of the morning to the grandeur of the night. Every stone in this collection is a testament to the purity of your journey and the endurance of your heritage, designed to be more than just an adornment, but a reflection of your own inner light.

True luxury is quiet yet unmistakable. It is found in the way a diamond catches the sun during a prayer, or how it mirrors the fireworks of a midnight celebration. These pieces are intended to accompany you through every cherished moment, becoming symbols of the love, connection, and grace that define your Raya.

Thank you for exploring Eid Luminescence. We invite you to discover the full 2026 collection and find the perfect light to carry with you this year and for a lifetime.
